Directions: From Highway 20 (in Island Park, Idaho), turn east at mile post #394. This is N. Big Springs Loop Road. (There will be a large yellow sign that says Island Park Village Resort, and you will see a Robins Roost Chevron station on the corner.) Once on Big Springs Loop Road, turn left at the second entrance to Island Park Village Resort—Two Top Road. Turn right at the second intersection. This is Grandview Road. Meadowview (4203) is the first cabin on the left.

Door Code: As you stand in front of the cabin, the key box is on the right side of the front door frame. The code to the cabin lock box is _____. Make sure you feel a click as you push each number. Then push the open button towards the ground. This will open the lock box. (If you make a mistake, you will need to push the clear button to start over.) You will need to enter the code again to replace the cover as you hold down the open button. **Upon check out please leave the key on the kitchen bar counter top and lock the door behind you as you leave.**
