**Directions:** From Highway 20 (in Island Park, Idaho), turn east at mile post #394. This is N. Big Springs Loop Road. (There will be a large yellow sign that says Island Park Village Resort, and you will see a Robins Roost Chevron station on the corner.) Once on Big Springs Loop Road, turn left at the third entrance (Shoshone Road) to Island Park Village Resort. Turn right at the T Intersection. Now you are on Grandview Road. The Reunion Lodge (4238) is on the right toward the end of the cul-de-sac. It shares a driveway/parking area with the Old Faithful Lodge. Please be courteous in its use.

**Door Code:** The code to the cabin lock box is \_\_\_\_\_. Make sure you feel a click as you push each number. Then push the open button towards the ground. This will open the lock box. (If you make a mistake, you will need to push the clear button to start over.) You will need to enter the code again to replace the cover as you hold down the open button. **Upon check out please leave the key on the kitchen bar counter top and lock the door behind you as you leave.**
